IMPORTANT: Children under 18 years of age travelling without their parents require the written consent of both parents. In addition, children under 18 years of age travelling with only one of the parents require the written consent from the other parent.

Written consent is not required from a parent who does not have legal custody of the child(ren); however a copy of the legal document giving sole custody to the other parent must be submitted

If one parent did not recognize the child and therefore written consent cannot be obtained from that parent, a copy of the birth certificate is required
